Membership Chairman

Dear Lyle:

We are pleased to announce the start of our Youth & Community Raffle. The details and prizes can be seen on our website at www.genevaexcelsiorlions.com.

As a past contributor, we'd appreciate your continued support for this drawing and ask that you purchase any number of books in the drawing at \$10 each or continue to support us at the same level you did in previous years as shown on the renewal form. We encourage you to sweeten the pot if you can.

The Youth & Community Raffle is our biggest fundraiser for the year and helped us donate just short of \$19,000.00 to many organizations and causes last year.

We hope you will continue your support. Please print, fill, and return the renewal form with your check for the number of books you'd like, payable to the Geneva-Excelsior Lions, to the address shown below. Please send it off right away, if possible.

Thank you very much for your support and good luck this year!

Lyle Workman
