

Fundraising Partnership

The Geneva-Excelsior Lions Club has been serving San Francisco since 1951. We've given thousands of dollars back to community organizations & schools. We're making an effort to expand our giving by partnering for fundraising.

We're looking for community groups and schools that are willing to join with us to raise funds for their projects by selling tickets in our Youth and Community Raffle. Would you like to join with us?

For more information contact:
 Lion Lyle Workman
 Lions Youth & Community Raffle

Churches and church groups provide much needed guidance for many in need.

Schools mold the leaders of the future and are at the center of a youth's focus.

Community Organizations are often "in the know" and one of the first to know needs.
