

The Geneva-Excelsior Lions Club has been serving San Francisco since 1951. We've given thousands of dollars back to community organizations & schools. We're making an effort to expand our giving by partnering for fundraising.

Churches and church groups provide much needed guidence for many in need.

Schools mold the leaders of the future and are at the center of a youth's focus.

Community Organizartions are often "in the know" and one of the first to know needs.

Thank you for your interest in the Youth & Community Raffle.

We've been running this raffle successfully since 2017-18 when Lions District 4-C4 decided to stop holding it as a fundraiser.

Included with the participation flyer on the previous page you'll find the following info which we hope will answer many of your questions about participating:

- Agreement for selling raffle tickets as a fundraiser. Once you've agreed to sell tickets, this agreement is sent with the first group of tickets you've requested.
- Sample ticket book recap sheet used to track the books sent to you and returned back to us when returning the sold ticket books when completed.
- Remittance form so you can easily figure out the funds to be returned with the sold ticket books when done.
- Renewal letter sent out to groups the following year so they can participate again.
- Renewal form, sent our with renewal letter, letting us know what you'd like to do.

We look forward to working with every new and returning group.

If you have additional questions, or would like to participate, please contact me directly.

Add all columns on each page. Then add column totals and place results in boxes on page 1.

1

The left columns, books 301 thru 330, show a traditional method of accounting for books on the book recap sheets. Note each book is counted as a 1 in any of the first 4 columns. Each column is then totaled at the bottom. The totals from all pages are then added and entered into the boxes at the top of page 1. The sum of the first 4 boxes at the top of page 1 should equal the total books taken.

The right columns, books 331 thru 360, show a short cut method of accounting for books. Note only the returned and lost books are marked in the appropriate boxes. You would then total those columns at the bottom, and then subtract those numbers from the total number of books listed in column 1. Fully populated columns have 30 books each; some columns may have less.

There are no partly sold books in this sample. Books and tickets are counted separately and \$1.00 per ticket sold is remitted. \$1.50 each for returned, lost, and partly sold book is to be remitted.

Dear Lyle:

July 18, 2023

We'd like to thank you for working with the Geneva-Excelsior Lions Club on our Youth & Community Raffle tickets last year. We're just getting started on this year's raffle and are asking you to renew your sales efforts this year. As last year, your organization will receive a 70% donation back on fully sold ticket books.

The Youth & Community Raffle is our biggest fundraiser for the year and helped us donate just more than \$21,800.00 to many organizations like yours last year.

Please take a moment to print, fill in, and mail the ticket seller renewal form below, and mail it to the address below so we can continue planning for this year's raffle. Please send it off right away, if possible.

Thanks much,

Lion Lyle Workman 1039 Santa Lucia Dr. Pittsburg, CA 94565-7614 925.458.0103 Office 650.400.5739 Cell lyle@workmanmail.com
