
GENEVA EXCELSIOR LIONS CLUB

Vol. XXV No. 2 July 11, 1975

LAST WEEK: With ye olde bulletin editor in Carnelian Bay and his substitute at home, the first official regular meeting of the new regime, headed by Lion President Al Gentile took place. According to informed sources, the gathering was rather informal, and was highlighted (?) by the humor (?) of Lions Charles Gara, Ken Edwards and Ray Squared. Hang in there, Lion Al - attendance will increase and the jokes will get better!

GARAGE SALE: In order to partially finance repairs to their boat, our Sea Scouts' troop is planning a garage sale for Sunday, July 27. All donations from Lions are requested. If you have spare knick-knacks, contact Lions Ron Faina or Tom O'Connell. Repairs to the vessel are estimated at \$ 800.00. The club may be asked to underwrite any expenses above those funds realized from the impending sale.

FIREWORKS: It was reported at the last meeting that our club will realize approximately \$ 682.00 from the 1975 fireworks sale, held in conjunction with the Skylions Club. Proceeds will be distributed at a joint meeting of our two clubs to be scheduled in the near future.
