And, Now For Some Brighter News:

First, if you haven't already realized, this bulletin is being edited by Lion Herm Kligerman while Lion Ted is vacationing again. Hope your new car made it to Tahoe, Ted! There must be profit in being bull, and assistant, bull editor. I, too, have a new car and, I guess, Ted & I should expect a visit from the tail twister soon.

LAST WEEK: With Lion Presidente Al Gentile on vacation for a week, Lion Ozzie took the Lion by the tail, so to speak! At least for awhile, that is, as I understand he had to leave early to pick up visitors arriving from Italia. Lion VP Erv Smith finished up the meeting, and Lion Ron Faina finished off the Lions' small change by acting as tail twister. It was good to see Lion Bruno Sanchez at a meeting again ... come more often, Lion Bruno! For reasons not explained, there was no raffle. But, there was an interesting film program presented by Mrs. Siane Porter and her sister Donna on Bay Meadows horse-racing. Our speaker was awarded a certificate of appreciation from the club.

SEA SCOUTS: More than \$ 200.00 was reported earned from the Garage Sale a couple of weeks ago, Money is needed by the scouts for repairs to their boat. The scouts are planning another garage sale in the near future and you can bet Lions will be notified. White Elephants Needed

DUES: Less than half our membership have so far paid their semiannual dues. The money is needed NOW, so send your check for \$ 25 to Lion Fred Krahl.

CORRECTION (from Lion Ted): Lion VP Erry Smith was named REGIONAL chairman for the Youth Exchange Program, not zone as reported last week.

HAPPY GRANDPARENTS for the first time are Lion Carl and Elaine Muchlendorf, whose daughter gave birth to a bouncin' baby boy (future Lion ?) last month. Congratulations to the family! Speaking of the Muchlendorf, they are entertaining relatives from South Africa at their San B runo home, and plan a trip of their own to the dark continent next year.
