**MEDICAL ALERT** is a new project sponsored by the San Francisco Council of Lions Clubs. This program has been founded in Turlock, California in 1956 after a doctor's daughter - almost died from reaction to a sensitivity test for tetanus antitoxin.

Tragic or even fatal mistakes can be made in emergency medical treatment unless the special problem of the person is known. A diabetic could be neglected and die because he was thought to be intoxicated. A shot of penicillin could end the life of one who is allergic to it. Persons dependent on medications must continue to receive them at all times.

The Medic Alert emblem-worn on the wrist or neck- is recognized the world over. On the back of the emblem is engraved the medical problem and the file number of the wearer, & the telephone number of Medic Alert's Central File. The cost: stainless steel-\$7.00, Silver-\$12.00 and gold filled -\$28.00. For more details contact the Project's Chairman-P.P. Frank Ferrera. (Lion Bob Dobbins gave us a little talk on this subject /they limited his time/).

**BOWLING.** PP Ken Edwards gave us report on the bowling situation. We have only 3 bowlers and considering that fact we are doing OK.

**GENEVA PROJECT** report was also given by PP Ken, who donated some silverware to the project. We are invited to a lunch on some Tuesday noon as in the past. The date has to be determined.

**YOUTH & COMMUNITY TICKETS.** Lion Bob Woodall needs ALL books and money by April 7th (next meeting). Contact Lion Bob Woodall or Ron Dackson.

**INDUCTION OF NEW MEMBER.** PDG Fred Newman inducted new member at the last meeting. He is Lion Mike Castagnetto his wife is Lorraine and they have 2 children: Tricia 15 and Mike 14. Lion Mike is the owner of the Glen Park Roofing Co. He lives at 351 Winding Way, SF 94112. Welcome aboard Lion Mike we are glad to have.

**GUESTS.** Our distinguished guests gave us a short talk on their activities and appreciation for the recognition given to our Past District Governors. We were missing a few other Past District Governors who were unable to attend. It was a pleasure to have you P.D.G.s with us again.

**THE RAFFLE WINNERS** were: Joe Farrah a bottle of AA, Bill Tonelli (\$200000) and Charles-Cara (10000). Mystery Raffle won Ozzio Buoncristiani (4000000).

**BON VOYAGE** to Lion Carl Muehlendorf and family who are leaving on March 31 for South Africa, South America and Europe.

**OUR TWENTY FIFT ANNIVERSARY** booklet is being prepared. However, in order to do a good job I need the close cooperation of A L L PAST PRESIDENTS, SECRETARIES & MEMBERS!!! All of you may have a piece of history in your home. An old bulletin, group picture of the "old timers", news-papers clippings, special events originating during your presidency or special projects which are being continued until present day...something that you are proud of as a Past President and would like the world to know about.

If you have anything to contribute to the booklet (and I am sure you do), please contact Lion Ted as soon as possible (evenings). Time is short and we would like to have it published prior our installation. It's up to you if we can do it...
