TWENTY FIFTH ANNIVERSARY booklet is being prepared. This is a repeated appeal to our Past Presidents, Secretaries and all members. Thanks to a nice respond of our Past Presidents and cooperation of Lion Joe Farrah I need to cover the years of 1950 - 1956. All of you may have a piece of history in your home. An old bulletin, installation folder, news-paper clippings, special events or projects originating during your presidency, something that you are proud of it as a Past President and would like the world to know about. If you have anything to contribute to the booklet (and I sure you do) please contact Lion Ted (evenings). The time is short and we would like to have it published - for the Charter Night in July. It's up to you if we can do it...
