LORD HALIFAX, a former foreign secretary of Great Britain, once shared a railway compartment with two prim-looking spinsters. A few moments before reaching his destination the train passed through a tunnel. In the utter darkness Halifax kissed the back of his hand noisily several times. "May I thank which ever one of you two ladies I am indebted to for the charming incident in the tunnel." He then beat a hasty retreat, leaving the two ladies glaring at each other.

BEST WISHES TO OUR SANTA ROSA CONVENTIONEERS
