

Our Editor Lion Al Gentile is still vacationing and I'm again substituting for him.

WE HELD OUR PROGRAM meeting on July 19th with a very busy Lion Tail Twister (Ron Faina) and only one member of the Skylions of Daly City (Lion Mo Mazzini). Someone goofed somewhere and the Skylions didn't get the message. Guests for the evening were: Lion Harvey Bustichi 3rd VPres of the Scotts Valley LC and their President Lion Al Cacace. Also Gil Smail of the Mission LC. Guest speaker was Mr Roe Wilson of the SF Heart Assn. Lion President opened the meeting with moment of silence in memory of Lion Charles Carra.

Visiting President Al Cacace of the Scotts Valley exchange Club banners with our Club & also told us about his Club's activities. They have about 50 members, attendance about like ours and at the present they are in process of acquiring some free land for proposed Center for the Blind.

AWARDS. Lion Ron Faina received 3 years later a 100% attendance pin for 15 years perfect attendance. Congratulations, Lion Ron. Better late...

PROGRAM. Mr. Roe Wilson from the SF Heart Assn gave us a very interesting talk on the circulatory system. Mr Wilson had 12 heart attacks in the past 4 years and is still under coronary care. Another good program. Thank you Lion Ed Damonte.

SCHOLARSHIP. Project Chairman, Lion Bob Dobbins, sent 2 letters from previous recipients "Dearest Members of the Lions Club, I would simply like to express my thanks and appreciation for selecting me for your award. The money will be very helpful in financing my college expenses. Again, I would like to thank Mr Dobbins and all of the members of the Lions Club for bestowing this great honor upon me. Gratefully yours, Ronald Sargent - Riordan High School."

And another one: "Dear Mr Dobbins, I would like to thank you for your assistance in completing my first year of college. I have completed 52 units of college study and expect to begin my "engineering" classes in the fall quarter. Presently I am working for the Summer at P.G.&E. and hope to relax before school starts.

The school year brought me many different, exciting and difficult experiences. I'm glad I had the opportunity to experience all these situations, and I'm looking forward to what the next year brings. Again thank you and the Lions Club for your concern. I hope you have a nice Summer. Sincerely -Glen Paul Perez."

WHEN IS A MAN A MAN? When he can look out over the rivers, the hills, and the far horizon with a sense of his own littleness in the vast scheme of things, and yet have faith, hope and courage...which is the root of every virtue. When he knows that down in his heart every man is as noble, as vile, as divine, as diabolic, and as lonely as himself, and seeks to know, to forgive and to love his fellowman. When he knows how to sympathize with men in their sorrow, yea, even in their sins, knowing that each man fights a hard fight against many odds. When he has learned how to make friends and to keep them, and above all, to keep friends with himself... When he can be happy and high-minded amid the meaner drudgeries of life... When no voice of distress reaches his ears in vain, and no hand seeks his aid without response... When he knows he has kept faith with himself, with his fellow man, with his God. In his hand a sword for evil, in his heart a bit of a song... glad to live, but not afraid to die. Such a man has found the only real secret of living and the one which is trying to give all the world. (Joseph Fort Newton).

WE CAN ONLY APPRECIATE THE MIRACLE OF A SUNSHINE WHEN WE HAVE WAITED IN DARKNESS.
