

Our meeting of August 2, 1978, was a combination Business and Program meeting and visitation by the Daly City Sky Lions. Lion President Joe Farrah opened the meeting with a gavel loaned by Lion Ozzie. Lion Joe then allowed Sky Lions President Jerry Galindo to make a few brief reports. He invited our club to a Ladies Night and Installation on August 16, at Mike's Restaurant. Unfortunately that is a meeting night for our club.

The purpose of the Sky Lions visit at this meeting was to give our club a check for our share of the fireworks sales. A lot of friendly joking went on between members of both clubs. Lions visiting from the Sky Lions were: Jerry Galindo, Del Wilson, Mike Markovich, Joe Sangiacomo, Rino Ceccato, David Hoffman, Tony Salcedo, Giovanni Guadanini, Moe Masini and Lion DiPicco.

PROGRAM. Program Chairman Lion Ed Damonte gave us another excellent speaker. Jeff Brown from the San Francisco Public Defenders Office, outlined the duties of his office and answered many questions from the floor. This was both interesting and informative.

BOARD OF DIRECTORS meeting held on July 26:

1st Vice President Lion Ted Zagorewicz practicing for next year, presided. A donation to the Lions Eye Foundation was made in memory of Lion Charles Cara, and another in memory of the son of former Lion member L. Sciamana. Lion Carl Meuhlendorf reported through our secretary that sales reached \$4,238.56. Due to expenses our profit is about \$520. ITALIA shirts are available through Lion Frank Ferrara at a cost of \$3.75 each.

BIRTHDAY CALENDARS were distributed to be sold. These are the order forms where you fill in a friend's name, his wife's name, his children's names, all of their dates of birth and the wedding anniversary of your friend. Then you ask him to give you \$3.00, and in return he will receive a calendar with his family's dates of birth and also he is making a contribution to our Scholarship Project which all our friends are glad to do. Please ASK your friends to contribute \$3.00.

PAPER DRIVE. Lions Bottarini, Krahl and Bello expect to present to the Board of Directors a plan to collect old newspapers in our district. It was reported other Lions Clubs are doing this as an excellent money raiser.

LION GINO BENETTI received a placque for doing an outstanding job as Youth and Community Ticket Chairman 1977-78.

LANGUAGE BANK. Secretary Hanford Clews read a communication that a Language Bank will be formed to aid visiting Lions, and exchange student program. Any Lion speaking another language and interested in registering please contact Lion Clews.

CONGRATULATIONS to the Farrah family. Lion Joe paid a fine because the G-E Lions Club was not mentioned in the article which appeared in the SF Examiner about three generations of Farrahs in the Excelsior.

SMILE? Two men were discussing the fact that both had sons away at college. "What does your boy plan to be when he graduates?" asked one.

"I'm not really sure," replied the other, "but judging from his letters home I'd guess he is aiming to become a professional fund-raiser".
