

The meeting was called to order by Lion President Joe Farrah. The Invocation was given by Lion Galdo Pavini, and Lion Len Maresco of the Millbrae Lions led the meeting in singing God Bless America.

President Joe introduced visiting Lions, Deputy District Governor of Region Two 4-C4, Don Stanaway from the Burlingame Lions Club; Past District Governor Joe Giuffre of our club; and Rick Nuccitelli and Rocky Lombardi from the Millbrae Lions Club.

**REPORTS:** Lion Handfor Clews reported 14 golfers played in the Geneva-Excelsior Golf Tournament last weekend at the Silverado Country Club. Lion Al Fregosi who was there, told me; it was a very good time. He said Lion Handford did a superb job of making the arrangements, including an excellent hospitality room.

Lion Bob Woodall has tickets for the Youth and Community project. If you know of any groups who are willing to help sell tickets, please contact Bob.

Lion Bob Dobbins, the Birthday Calendar Chairman (along with Handford Clews) announced a net profit of \$871.05, which will be deposited in the Scholarship Fund for deserving high school students in our district. Congratulations to both Lions for doing a good job.

Lion Ron Faina is taking the Sea Scouts to Moffitt Naval Air Station this weekend. The outing will include a tour of the station, lunch and maybe a plane ride if Ron can overcome the Navy red tape.

Lion Rick Nuccitelli, District Member ship Chairman, presented some of the members with a playing card which is inscribed, "BE MY GUEST AT A LION'S CLUB MEETING". This is a novel idea and I understand District Governor George Habeeb whose name also appears on the card, is responsible for it. Our Club can use these cards to invite prospective Lions to our meeting. Please remember that Lion Bottarini asks our cooperation to bring new members into our Club during Lion Farrah's presidency.

This evening's meetings was attended by Lion George Habeeb, District Governor Lions 4-C4 and his Cabinet. Lion President Joe introduced Zone Chairman Steve Kish of the Mission Lions, who introduced Deputy District Governor and Past President of the Marina Lion's, Guerin Olivola. Lion Olivola introduced Cabinet Treasurer Bill Tonelli and Cabinet Secretary Earle C. Call. He then introduced Lion George Habeeb, District Governor Lions 4-C4. Governor Habeeb let us know that this is the year of the Lebanese (Farrah and Habeeb). However, he was accompanied to our meeting by his Italian bodyguards Rick Nuccitelli and Len Maresco. He suggested all Lions participate in Club projects and activities. The return to the individual Lion will be friendship. District Governor George also told us some of his experiences visiting Lions Clubs in Japan. The G-E Lions enjoyed having the Cabinet Officers and guest at this meeting. A lot of friendship was passed around.

This bulletin editor wishes to make corrections for several errors in the Nov. 1 bulletin, when I announced the District 4-C4 Cabinet would attend the Nov. 8 meeting:

- 1) Correct spelling of the Deputy District Governor's name is OLIVOLA.
- 2) Cabinet Secretary Earle C. Call was not included as part of the visiting staff.
- 3) Cabinet Treasurer Bill Tonelli was named as Secretary-Treasurer.

My apologies to the above Lions, however, I know Lion Bill could handle both jobs and more if necessary.

#### COMING EVENTS:
