

THE meeting was called to order by President Joe Farrah. The Salute to the Flag was led by Lion Charlie Bottarini, and the Invocation by Lion Frank Ferrera.

President Joe presented placques to Lions Gil Smail, Fred Krahl and Al Gentile for work they did for the G-E Lions during the past year.

President Joe announced a practice the Millbrae Lions are using which our club will be doing. The "newest" Lion must wear a bib until a new member is brought into the club. A bib has been ordered from International, and if you are wondering who our newest member is, it's Bill Cazzatt, Jr.

President Joe also announced that Lions Ted Zagorewicz, Joe Giuffre and Ron Faina were not at the meeting because they were attending the Council meeting at the Granada Cafe. Also, Lion Carl Muehlendorf was attending the Daly City SkyLions board meeting to discuss plans for the fireworks stand, which is scheduled for June 28 to July 4. Some good Lion is needed to head this committee and Lion Carl and other Lions will give him support. How about you?

Lion Ozzie Buoncrisiani reported the Installation held at the Presidio Officer's Club on June 9 was a success. Thanks to Wanda for all her help.

Lion Bob Woodall reported the club received our share of the Youth and Community ticket sales.

Paper Drive committee is going to repair the wind-blown sign. Lion Bottarini reported three-quarters of the ten ton bin is full of newspapers. People are cooperating. Please support this hard working committee by bringing your old papers to the collection point at Russia and Mission Street.

CADILLAC RAFFLE is moving along. Thirty sales have been made and the cash turned in. It is reported another thirty have been sold.

President Joe received the following letter from Leonard Autajay, Administrator of the Geneva Social Development Center:

"The clients of the Center express their gratitude to Lion Dick Harrison for his generosity in treating them to lunch at his place of business." (Harrison's Coffee Shop, 984 Geneva Ave.)

Lion Dick could have made a request to the Board of Directors to approve this expense, but he told President Joe it was his treat.

The Geneva Social Development Center would like a member of the G-E Lions to be on their Advisory Board. If you are interested in finding out more about this, please contact Lion Bob Woodall.

Just a word to wish a speedy recovery to Lions Ed Damonte and Ray Squeri. Your programs have been great Ed, hope you will be at a meeting soon. And Ray, get well soon, your golf buddies should be a soft touch after all the rest you have been getting.

Acting Program Chairman Bob Woodall introduced Ms. Tricia Garrett, from HYPMOTIVATION, INC. The members were told they could improve their business life, family life and sex life through self-hypnosis. Ms. Garrett spoke at length about the benefits of the program, and the members gave their attention and asked questions.

Lion Ted Zagorewicz asked to acknowledge members of the Marina Lions, Fil-Am, Park Presidio and Mission Lions who attended the Installation.
