

The April 9th meeting was called to order by President Ted. The Fledge of Allegiance was given by Lion Frank Ferrera, and the invocation was given by Lion Joe Farrah. Only twelve Lions were in attendance, partly because a group was making a visitation with The Candidate at the Menlo Park Host L.C. Lion Bill Cazatt introduced his brother-in-law and guest, Bob Galucci.

Secretary Mike Ferri read letters of appreciation from Lion Harvey Bustichi and Barbara Rosenberg of the Fromm Institute for senior citizens.

Lion Frank Ferrera announced the date of the Hors D' Oeuvres Extravaganza has been changed to Sunday, May 18th due to the hall being unavailable for the earlier date.

President Ted announced the following additional long term membership chevrons had been earned: Charles Stuhr, 25 years; Frank Bulleri and Fred Melchiori, 20 years; Bill Shea and Tom O'Connell, 15 years.

Lion Giulio Francesconi entertained the Lions by showing about six reels of sound movies taken prior and during last year's district convention. Scenes were Pete Bello's workshop (working on the turtle costumes), the barbershop quartet, tail-twisters contest, talent show and the costume parade. If Hollywood talent scouts could see the film of the tail-twisters contest, they would be waving contracts at Eva Bello and Margot Clews. They have plenty of extras they can use to fill in for whoever that was on the xylophone! Lion Giulio promises to have these reels edited and spliced to show at a future Ladies Night. A fun night is in store.

The campaign trail brought a delegation of nine G.-E. members to Carter's Restaurant, home of the Half Moon Bay L.C., for a Monday night dinner-meeting visitation. Lion Charlie Bottarini, driving a group to the event, almost blazed his own new trail down the coast when he belatedly learned the Devil's Slide section is closed between 7 P.M. and 6:30 A.M. Lion Bill Tonelli sent up some flares from Carter's so Charlie's group was able to arrive without too much delay.

This week's campaign visitations are as follows:
