Meeting Digest 6-21-17

The meeting was called to order by Lion President Sharon Eberhardt, who also led the Pledge of Allegiance. The invocation was offered by Lion George Salet. Stand-in Lion Tail Twister Al Gentile was called on to lead the introductions. Since this was the last meeting of the fiscal year, can't say if it closed with a "poof" or a "pop" as there were only 6 members present.

The installation was again discussed. The location has been set as The Sharp Park Restaurant. The initial date was set for July 19, our 2nd meeting in July, but through telephone and email discussion, it has been moved to August 16th and will replace our 2nd meeting in August. From the email of Lion Emily Powell came a Thank You for our donation to the Balboa High Alumni Association, a suggestion to have another Balboa Night at the Lions, and a few other tidbits of info. In a follow-up email she explained how the donation may be spent, that the Balboa Alumni will continue to support the Lions and will continue to collect used eye glasses. They'll even give us some good publicity in their newsletter *The Gangplank*.

During the evenings discussions, the subject of new technologies and how they're adopted as relates to new Lions Clubs in the District. To some in our Club, it may seem we adapt new things quickly, to others, not quickly at all, or not at all. Guess that's a balance.

Forwarded by Lion Joe Farrah was a Facebook post from Lion Bre Jones. Too long to show here, it details her time here in California and some of her feelings about her time here. For those not aware, she, John, and their children have moved to Florida. California's and our loss!

Found in the San Francisco History Group on Facebook:

An original map of the street layout for the Excelsior Homestead Association. It notes it was surveyed in February 1869 and adopted on March 12, 1869.

Attendance Raffle & Mystery Lion

Attendance Raffle winner, who missed out on \$2,400, was Lion Steve Martin. The Mystery Lion was not called upon. *What's up with that?*
