Y & C Raffle

Lion Viela du Pont reports that three solid responses have been received, accounting for 600 ticket books. Two soft responses have been also received.

Lions Sharon Eberhardt and Lyle Workman attended the Cabinet Meeting on Nov. 4th to announce and talk up the raffle. Three clubs have come forward letting us know that participation can be expected. The Merced Heights Club wants 800 books.

Letters, about 100 total, to former Charity Raffle participants will be going out this weekend.

Ticket distribution to members will be handled at an upcoming work party.

Distribution: She will be calling on various Lions to be the contact point with groups; when called upon, please assist her. There are some new procedures.

Groups: It would be great if we could pick up some new selling groups; put on your thinking caps. A new marketing flyer, aimed at community groups, schools, and churches, is now available on our website. It will also be sent to members receiving their bulletin by mail. Additionally, there is also a form that interested groups can fill out and submit on the website.

Member sales: See the note above; please cooperate by either selling or purchasing four books minimum. *That's All Members, please.*

Sponsorships: Our work is not done finding sponsors and advertisers. Please keep this important aspect in mind. The current status on the prize sponsorships is shown on our website. In addition, there is also a form that interested parties can fill out and submit on the website.
