Meeting Digest 12-4-19

The Business & Board Meeting was called to order by Lion President George Salet. Once again, only 5 members were in attendance.

Unnecessary business was set aside

and there was lots of talking among the members present. Included was:

- The Millennial Tower and its problems.
- San Francisco Supervisors and other political topics. Politics have been

- creeping into our talks, more and more.
- Local building projects, including the Valente Marini property and Al Fregosi's adjacent property.
- Jobs vs. welfare.
- Local restaurants, new and old.

Christmas Party - well sort of

The next meeting, December 18th, will be a bring your own Christmas Party. Bring what you'd like, perhaps enough for everyone; that may or may not include presents. We're winging it!

Meetings Rescheduled

The next two meetings, January 1st and January 15th, have been rescheduled to take place **one week later - January 8th and January 22nd**. Mark your calendars!

Board Meeting

The Board meeting was mixed into the business meeting and included:

- No correspondence.
- Attendance for November was 41%.
- Board approved our regular gratuity for Leila Roussel, our great waitress.

Lions Youth & Community Activities Raffle

Ongoing: Two avenues of ticket sales will be worked on in the coming days and weeks. The Friends & Family segment is starting to roll in. Ticket books are being distributed to members with purchasing contacts. We might want to refresh our Friends & Family list with some new prospects. Think about that.

Lions Eye Foundation cont.

From Lion Bob Lawhon: “We were invited, Lions Bob and Zenaida Lawhon, to the Pacific Vision Eye Institute by one of the Trustees of the Lions Eye Foundation, Lion Don Watson. We met John Posey, Executive Director. We were given a tour of the new facilities by Laura Coleman, RN, BSN the Clinical Director. We were also informed that they are aware of our club’s donations and that they miss Lion Galdo Pavini (as we do). This new Surgery Center is located at 711 Van Ness, Suite 260. Ms. Coleman indicated that she would be interested in speaking to our club. The new clinic is very high tech.”
