Copies of the new Constitution and Standing Rules will be emailed to all members with email addresses. Mailed to a few.

Before and After

Disussed before the meeting started:

- Bob Fenech's friend Sparky is in SF General and is not expected to live long. Condolences.
- Christmas decorations are still up at some member's houses.

Our Crab Feed came up several times during the meetings. Touched on was:

- Bob Lawhon is working on details of the hall; contract has been signed and checks delivered.
- Tickets are available. 12 are reserved and paid in full.
- Knights of Columbus may be helping with set up and take down. Covering the floor also?
- What supplies do we have on hand, and what's needed?
- Hall can hold 150, or more.
- Marinade - container for mixing and disposal of used marinade.
- Kitchen - Stephen Martin will be doing another site visit.
- More people attending vs. enough people and members helping.

One of the biggest things now is to get reservations and payment in so we know the numbers and how to plan. Click the flyer above to reserve online. Talk to friends, enemies, and everyone, about attending. Think about helping the day of.

RETENTION OF LIONS IN MD 11, a Job for all Lions

- ❖ **Respect** New Lions for their talents and especially their TIME
 - ❖ **Educate** New Lions about Lionism in club, district, state, and International activities
 - ❖ **Take** New Lions to club, district, state and international meetings and introduce them to other Lions
 - ❖ **Expect** Great outcomes from New Lions while assisting them to accept chairmanships and other leadership roles
 - ❖ **Name** a mentor to guide New Lions, it should be a seasoned Lion
 - ❖ **Target** club, district, state and international projects that a New Lion may have an interest in based on their profession, education, hobbies and interests
 - ❖ **Initiate** New Lions about their responsibilities, financial commitment, and the great world-wide Lions fellowship
 - ❖ **Observe** New Lions as they meet Lions, learn, and participate to enhance our Great organization, and offer assistance
 - ❖ **Never** give up on New Lions or more seasoned Lions who may not remember why they joined in the first place. Let's lock the back door and keep it locked. Even when Lions transition to their final resting place they will be remembered as Lions forever.
- *RETENTION IS EVERY LION'S JOB!**
- "A busy Lion is a happy Lion, membership is every Lions business, a good Lion is an informed Lion. Get involved-That's what Lionism is all about. Handle with care-don't drop, Lions are made—not born. The more we are—the more we can do, we lose what we don't use. To get a member-invite them. To keep a member-involve them."
