Meeting Digest 10-21-26

Unfortunately a meeting was not held on the 21st. Luckily, Lyle Workman showed up early and was told by the cook that Julie Clima was ill and in the hospital and that Leila was out of town. A quick text to Stephen Martin saved him the trip from home. It is unsure if anyone else showed. This is a first time this problem has occurred. We hope all is well with Julie.

Game 6: 1st quarter: Dave Ramezzano; 2nd quarter: Steven Ford; 3rd quarter: Dennis Columbo; final: Gerald Lowe; reverse final: Diane Donnelly.

Game 7: 1st quarter: Bernie Heckenkemper; 2nd quarter: Joe Farrah; 3rd quarter: Joe Espillac; final: Aaron Straus; reverse final: Carol Guptail.

RETENTION OF LIONS
IN MD 11, a Job for all Lions

- Respect New Lions for their talents and especially their TIME
- Educate New Lions about Lionism in club, district, state, and International activities
- Take New Lions to club, district, state and international meetings and introduce them to other Lions
- Expect Great outcomes from New Lions while assisting them to accept chairmanships and other leadership roles
- Name a mentor to guide New Lions, it should be a seasoned Lion
- Target club, district, state and international projects that a New Lion may have an interest in based on their profession, education, hobbies and interests
- Initiate New Lions about their responsibilities, financial commitment, and the great world-wide Lions fellowship
- Observe New Lions as they meet Lions, learn, and participate to enhance our Great organization, and offer assistance
- Never give up on New Lions or more seasoned Lions who may not remember why they joined in the first place. Let's lock the back door and keep it locked . Even when Lions transition to their final resting place they will be remembered as Lions forever.

"RETENTION IS EVERY LION'S JOB!

"A busy Lion is a happy Lion, membership is every Lions business, a good Lion is an informed Lion. Get involved-That's what Lionism is all about. Handle with care-don't drop, Lions are made –not born. The more we are –the more we can do, we lose what we don't use. To get a member-invite them. To keep a member-involve them."
